

PEC is an established recruitment consultancy providing professional staffing, effective communication and comprehensive service for all your company needs

## List PEC (UK) Ltd - Delivering a 360° Recruitment Service

At PEC, we are committed to having a client focused approach, delivering excellent customer service. We excel in sourcing quality personnel for our temporary, contract and permanent positions. Covering a wide range of industry sectors, we keep an open door policy inviting potential clients to fully appreciate what we have to offer.

Since the inception in 1971, List Group PLC has become synonymous with quality and excellence in the delivery of services embracing engineering design, management systems and recruitment. Down to its steady growth, with carefully managed expansion, acquisition and diversification, this family business has developed into a global brand which acquired List PEC (UK) Ltd in 2006.

PEC Group was consolidated from a number of long established engineering companies to provide a rapid response engineering service to clients who needed to complement their own human resources throughout peak periods.

**After great success and credibility, growing from strength to strength within the Oil & Gas, Petrochemical, Pharmaceutical and Nuclear Industries with well established clients, PEC are branching further into new sectors to reflect the demand in Business for the future of List PEC (UK) Ltd.**

List is fully committed to a Health and Safety and Quality culture and is accredited to:

ISO 9001:2008 Quality Management

ISO 14001:2004 Environmental Management

OHSAS 18001:2007 Occupational Health and Safety

## WHAT WE OFFER

With offices across the country, we can tap into the widest possible range of skills and expertise. From being an established PLC company for many years, we have generated a highly sourceable and credible database of candidates. Working for international clients, the need for additional languages is often required. Our candidates will not only be skilled and of high calibre but can also include multi lingual talent.

Our recruitment services conform to strict quality procedures and clients can be assured we will provide an effective and highly professional service. Always fully up to date with the latest employment legislation and best practice, our operations are smooth and transparent - giving clients peace of mind that there business information is discretely protected.

## WHAT WE WILL DO FOR YOU

Already having long standing relationships with our existing clients, it is proven that we like to get to know them and understand their business therefore we offer a customised and professional service. We are always happy to discuss alternative ways in which we can help recruit for your needs.

We do not offer a standardised solution, we dedicate our resources and invest time in finding the right person for your business. All of our employees consists of highly trained and talented consultants who thrive on providing excellent customer service and candidate support. Offering the full 360° recruitment service, we work hard on your behalf to find the right candidates for your company, only submitting those who have been qualified and fully meet your criteria, focusing on **QUALITY NOT QUANTITY**.

## TEMPORARY

We provide high quality staff to cover for holiday, sickness or staffing shortfalls, recognising the need to supply at short notice who are able to fit in with the teams and perform straight away. We can supply professionals across a range of disciplines across all levels.

## CONTRACT

Our database includes highly motivated individuals who thrive on specific tasks or projects over a set contracted period of time. We can provide a match for your skills criteria and also acknowledge the need to supply committed and reliable employees capable of seeing a project through to completion.

## PERMANENT

We can help you fill vacancies that arise in your business, relieving you of all pressures of recruitment. By using List PEC (UK) LTD expertise, you can save the cost of advertising and the time spent on reviewing applications. We work hard on your behalf finding right people for your organisation: only submitting those who fully meet your criteria.

**List PEC (UK) Ltd are committed to delivering continuously a professional, timely and conscientious service. We are a good dedicated team who will not pester or pressure but simply listen and recommend meeting the most rigorous client requirements giving you exactly what you expect and working the way you want us to work.**

# LIST PEC

Project Engineering Consultants

Over the years, the List Group has built up a wealth of experience and a global client list that is second to none. We take pride in giving all our clients the same high level of service and commitment whether they are a small regional business, a national organization or a global corporation.
